

Dear friends and praying partners,
We really need your prayers for God's power to touch many hearts through this evening Kursk area news on TV interview with US rocket scientist **Ellsworth Gerrels** and for his ongoing presentations (see his schedule in the attached file)

Elsworth (Elzie) is fully devoted Christian, great scientist (see his CV in the attached file), and good friend of our school
www.russiadistancelearning.com
; www.tvseminary.com

These days he is doing series of presentations on 'God and this Awesome Universe' in Kursk universities, schools and churches. Last week he participated in International Symposium "The Way, the Truth and the Life» organized by Scientific Biblical Center «The Apologist» http://www.apologet.ru/Conference_Eng.htm and Kursk Institute of Business, Management and Economics (MEBIK) www.mebik.ru

Today he has made his excellent presentation for the faculty and staff of MEBIK and one of local TV station made interview with him! Questions were good and Elzie made great answers and clearly shared his faith and the Gospel.

Please pray that the most important parts of this interview would get into Kursk area evening TV news directing thousands to the saving faith in Christ!

God is using Elzie, please pray for his (and mine) good stamina, clear mind and protection on our ways as we share The Good News!

May God bless you abundantly!

We also would be very thankful if you will be able to help to cover the unexpected travel expenses to the Christian – Secular Scientific Apologetic conference in Petrozavodsk. If the Lord moves you, You can send your support for Kursk Ministries via: **Christ Centered Homes 223 FM 1635 Atlanta, TX 75551**. Christ Centered Homes will send you a statement for your taxes.

Grace and Peace
