"BEING JESUS TO ORPHANS"

WELCOME TO OUR NEWSLETTER!

The Gospel for the children with special needs!

At the beginning of June our interchurch team was blessed by God to have the camp for the orphans of the Lachinovsky orphanage. There are 54 children living there and most of them are suffering not only from having no parents but also from many health issues.

The orphanage being located very far away from cities and towns, there are few visitors the children can see there. We try to visit with them at least once a month in order to develop our old links. But a camp is a special event!!! The children were looking forward to it for a year; they were preparing for our visit and joyfully met with the leaders they loved.

Every day we had some outdoor games with them; we had some handicrafts circles and so on. But the most important thing was having our bible study lessons the goal of which was bringing the kids closer to accepting Christ as their Lord and Savior; Christ in Whom they could find their peace and hope without which it was so hard to survive through loneliness and illness.

Of course not all the children have some health anomaly there. Tanya Morosova is a normal and active girl, but for some reason she found herself in that orphanage. She participated in the Program with great enthusiasm and joy and I have a very strong hope that the appeal to love God heard by her will play a decisive role in her life.

In my previous letters I have already mentioned Edik Solodkin. He had some very serious legs surgeries that had been accrete before. Now he can walk independently! In our personal talk he praised God for the miracle. I am

grateful to all who were praying for him!

Two very nice little girls Nastya Sharova and Marina Tolstyakova were the life and soul of the camp. Their catching laughter made even adults laugh! Please pray for Nastya: she is a normal child and we are asking the Lord to arrange her moving to the orphanage for children without health problems.

I am grateful to God for every day he let us spend among these children having a lot of fellowship with them and teaching them some spiritual things! Thanks for your prayers and for your financial support of our ministry!

May our Lord Jesus Christ bless you!

In Him,
