

Dear friends of Kursk Ministries!

Christian Summer camp season 2012 is approaching soon in Kursk, Russia!

We were doing such camps for over 15 years! This ministry grew up to 7-9 camp shifts each year, total about 900-1000 kids and youth in all the Kursk area camps! 50-80% of these kids are from non-Christian homes!

This ministry is far beyond our abilities! All the work is done by many well trained volunteers, we

give and save everywhere we can, yet **we really need your hand: spiritually and financially!**

It takes about 20 strong young men and old military truck to set up our main camp on the river's island: We put up field kitchen and dining tent, 'church tent',

restrooms and showers, storage and medical tents and about 15 tents for the teams of 8 +2 counselors. Since tents are used summer long during several camp shifts, they tend to wear out fast. We fix them, but within 3-4 years they become 'non-fixable'. Each tent costs \$610. **Would you help?**

We have talented Christian workers who make most of the sport and other equipment; it saves lots of money and brings lots of joy into the camp life! Some of the camp program games and trials reflect hardships of our Christian spiritual journey. Even coming to the camp was not easy!

But good evening worship restores our spirits!

By the 3-4th day of camp many unchurched kids get really involved: they sing Christian songs, participate in the Biblical presentations and later ask their counselors many good questions!

**Yet, next morning they all want to eat again!
Food supplies are the biggest items in our budgets.
Second big expense is the gasoline for transportation.**

**These days eight summer camp leadership teams in our churches complete their camp programs (Biblical and sport games, Bible studies, worships, presentations, counseling, camp TV news, etc.)
They also finalize their budgets. Usually it takes over \$3k per each camp shift (60-90 people), and we always need \$500 help for each camp shift.**

Our churches use all their recourses for their summer camp shift, because it worth it: tens and hundreds non –Christian kids get immersed into the Christian life atmosphere, many of them get saved at the last day of the camps when Christ on Calvary is presented. Such camps experiences stick in their memory forever and we sure God will use it at the right moment in their life!

WOULD YOU LIKE TO BE THE PART OF SUCH 'ETERNAL CHANGE'? WOULD YOU LIKE TO HEAR THEIR 'SPASOBO' (THANK YOU) WHEN YOU SEE THEM IN HEAVENS?

Please pray for summer camps in Russia: safety, protection from all kinds of evil, deep spiritual impact on many kids and youth and their salvation, blessings upon the camp youth teams: so they can free two weeks for their camps, for their spiritual and physical strength and protection!

And, please, do not forget to turn few green pieces of paper (\$) into the joy of eternal salvation!

May God bless you abundantly!
