

**Dear friend!**

May the Lord bless you for your partnership and the work for my people; may He bless your deeds more! Thank you for your prayer and financial support!

I would like to share some news with you: the news that brings joy to my heart. We had a Gypsy conference from November, 13 to November, 16. These were the days blessed by the Lord!

Many brothers and sisters in Christ came here from different parts of Russia and Ukraine. Our guests were from the cities of Voronezh, Charkov, Pskov and Bryansk, from the Oryol and Belgorod regions, from the towns of Stachanov and Shachty and so on. There also came our brother Ruvim Voloshim from Moscow and we were very happy to see him! Ruvim is the representative of the Moscow Missionary Department.

The Conference was opened by Alexander Tyulenev, Kursk region Bishop. After that we all spoke about the ministry we were doing. Many testimonies were shared about and all of them were very interesting.

The most touching of them was the testimony of the girls from the city of Krasnodar. The Lords' presence and His work in their lives was obvious. They had been badly ill and He healed them in a miraculous way.

At this Conference I was nominated for the Gypsy ministry Coordinator in Russia. My brothers and sisters trusted me to do this work. Please pray for this ministry that the Lord gave me! The time of the Conference was running very quickly!

On the second day we had Communion keeping the command of Jesus when He was together with his disciples. In the evening we had a worship service and many people were praying for rebuilding their relations with Jesus Christ. That evening two sisters and one brother from Bryansk accepted the Lord in their hearts. Praise God we can come to His feet at any time! This repentance was the culmination point of the service!!!

The last day came and it was Sunday. We together were worshiping to our Creator. The brothers shared His Word, the sisters sang, recited poems and shared their testimonies praising Him. In the evening we said good-bye to one another and left. We left with great joy in our hearts and with His blessing!

Dear friend, I am very grateful to you for your prayers, for your work and for your support!
