Dear friend!

The summer time of the work in His fields has come. And the work is in full spate. Two months ago my brothers in Christ from Ukraine called me and invited me to visit the city of Donetsk. On 18th June we went there from the side of the Rostov region. On the way we visited the town of Shachty in that region. We spent much time there with the group of believers: we were reading His Word together. I regret to say many of them are facing challenging times now. Some of them have buried themselves in vanity,

some have dwindled in unbelief, and some are deceived by the Satan since they were not watching (as Jesus told in one of His parables: "some seeds fell by the way side, and the fowls came and devoured them up"). Our fellowship was long: we discussed a lot of things. The next day we left for Donetsk. A picture is worth a thousand words! Our brothers and sisters in Christ met us at the

customhouse. We understood that they were edified by all the circumstances around them. There was shooting, shell bursts everywhere, many houses were broken, but they all did not lose their hope for the Lord. "Hope makes not ashamed"; on the contrary, it rejoices the heart! We were invited to the wedding of a young Gypsy girl and a brother from the local church. It reminded us of the marriage of the Lamb and His bride. No matter what, no matter how hard the time is, let love rejoice since love is from the Lord. Among the guests there were a few Gypsy non-believers. We shared with them about Christ the Savior. We said that soon He would come to the Earth to take His bride with Him and that a great feast would be made. The time of it was coming soon! On our way back we visited Shachty again. We stayed there for a day and shared about Christ there.

In the evening we gathered in the “Artyom” district. There came about twenty Gypsies to the meeting and they all were listening about God’s love to the Gypsy people and about salvation. Many of them heard about God’s love for the first time. This news made them think seriously about God and they decided to come to such meetings regularly to study God’s Word together. We planned to come to Shachty again in the beginning of August to support our friends spiritually.

Dear friend! We are very grateful to you for your work, for your support of our evangelism trips, and for your prayers! May the Lord bless you and reward you according to your kind deeds for our people!

Please pray for us:

- 1) For love and unity in our music worship group;
- 2) For the purchase of music equipment for our worship ministry;
- 3) For my family (for God’s ordering in it);
- 4) For the evangelizing campaign in the towns of Valyiki and Shachty, Rostov region.

Thanks a lot for your support!

In Him, Andrey Beskorovayny, pastor of Kursk Gypsy Evangelical Church “Davlesku Lav”.
